

Medical Oncologist – LOCUM – March 1 – June 30, 2023
Eastern Health, St. John's NL
Competition Number: MS0000052

The Cancer Care Program of Eastern Health Eastern invites expressions of interest for a locum Medical Oncologist at the Dr. H. Bliss Murphy Cancer Centre at the Health Sciences Center for the period of March 1 to June 30, 2023.

Eastern Health is the largest integrated health organization in Newfoundland and Labrador (NL). It employs over 13,000 employees, provides services to a regional population of more than 300,000 and is responsible for provincial tertiary health services.

The successful candidate will join ten other Medical Oncologists as a full-time clinical equivalent and will be responsible for treating a variety of malignancies, inpatient and outpatient clinical consultation service, as well as on-call service. On-call coverage will consist of 4 weeks (one week per month) throughout the locum. Candidate will also be expected to participate in relevant peer review and multidisciplinary tumour boards.

The Dr H. Bliss Murphy Cancer Centre is a fully equipped full-service cancer centre servicing the entire province of Newfoundland and Labrador. The clinic operates in a paperless environment using Varian Aria ® software. The centre has active tumor boards for all major disease sites.

We are affiliated with the Faculty of Medicine at Memorial University and this position offers an opportunity to become involved with teaching and educational activities. We have an active clinical trials group that allows for participation in clinical studies and supports scholarly activity.

Why practice in St. John's, Newfoundland and Labrador? NL is Canada's most easterly and unique province and offers an excellent quality of life. St. John's, the provincial capital, is the economic and cultural hub of Newfoundland and Labrador. St. John's boasts museums, galleries, historic sites, parks, world renowned culinary and a pristine natural environment. Newfoundlanders and Labradorians are friendly and welcoming known for our humor, song, art and craftsmanship. To learn more visit www.newfoundlandlabrador.com/

To be considered candidates must hold a Medical Degree, an FRCPC in Medical Oncology or equivalent, and be eligible for licensure in the College of Physicians and Surgeons of Newfoundland and Labrador. Clinical expertise in the management of non-gynecological solid tumour malignancies is essential. Working knowledge of Aria software would be considered an asset.

Locum remuneration is based on the Memorandum of Agreement (MOA) negotiated between the Government of Newfoundland and Labrador and the Newfoundland and Labrador Medical Association.

Interested persons meeting the above qualifications should forward their curriculum vitae with contact information of three references to:
