

DEPARTMENT OF ONCOLOGY – MEDICAL ONCOLOGIST

The Department of Oncology at Windsor Regional Hospital along with the Windsor Regional Cancer Program is currently recruiting for a full time Medical Oncologist to join its dynamic multidisciplinary team of Oncologists, Hematologists, Nursing and Allied Health Staff. The successful applicant will provide consultative services and work in collaboration with a group of 12 Medical Oncologists/Hematologists and 6 Radiation Oncologists. Radiation Oncology, Medical Oncology and Hematology services are well established and there is a 22 bed In-Patient Oncology Unit with NP support for inpatient on-call work. This position also provides opportunities for teaching, involvement in Schulich School of Medicine curriculum, and adjunct and tenure track academic advancement and clinical research.

The successful candidate will be an excellent clinician and communicator who is interested in helping to build positive relationships between all members of the inter-professional team. An interest in breast and melanoma disease sites will be an asset.

The Regional Cancer Program provides a broad range of service to the people of Windsor/Essex, Chatham-Kent and Sarnia/Lambton within the Erie St. Clair Local Health Integration Network (LHIN), representing a population base of approximately 650,000.

About Windsor Regional Hospital

Windsor Regional Hospital (WRH) offers the opportunity for a fantastic career in an award winning health care facility. WRH is a multi-site health service organization providing Acute Medical and Surgical Services including Renal, Emergency, Family Birthing Centre, Neonatal Intensive Care, Paediatric Services, Critical Care (ICU/CCU), Regional Cancer Services (Inpatient Oncology, Windsor Regional Cancer Centre, Breast Health Centre), Neurosciences and Mental Health Services. WRH provides Acute Care Services with over 600-beds on our multi-site locations.

In recognition of the growing needs of the region, the Cancer Program is part of the plans for a major reform of the Windsor-Essex Hospitals System, which includes construction of a state-of-the-art acute care hospital. WRH is actively planning to break ground on the new acute care hospital in 2026. To learn more, go to <http://www.wrhone.ca/windsorhospitals>

About Windsor and Essex County

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community

Qualifications

- Candidates must hold, or be eligible for, certification in Internal Medicine from the Royal College of Physicians and Surgeons of Canada with a subspecialty in Medical Oncology
- Licensed, or license eligible, to practice in Ontario with the College of Physicians and Surgeons of Ontario

Expressions of Interest should be forwarded, along with your CV, to:

Dr. Sindu Kanjeekal, Chief of Oncology
C/o Medical Affairs, Windsor Regional Hospital
careers@wrhone.ca

Note: Only those selected for an interview will be contacted.
