

## Medical Oncologist (Full-time)

The R.S. McLaughlin Durham Regional Cancer Centre (RSMDRCC) is seeking a permanent full-time **Medical Oncologist** to join the existing team of 11 medical oncologists and 4 hematologists.

RSMDRCC is a well-integrated highly regarded cancer centre in Ontario and provides comprehensive multidisciplinary cancer management to a population of approximately 1.6 million people. Our disease sites include gastrointestinal, lung, breast, gynecological, skin and genitourinary cancers, with plans for additional sites in the future. Our hematologists provide care for all hematological malignancies as well as benign diagnoses. In addition to the well-established medical oncology program, we also have a strong radiation program with 9 radiation oncologists providing SBRT, SRS external-beam radiotherapy, and brachytherapy. Our Centre hosts the Central East Thoracic surgical oncology program, and is a Gynecology Oncology Centre .

There is an active regional program and the successful candidate would be expected to provide onsite clinical service oncology clinics situated in Oshawa and Peterborough. The successful candidate will primarily be based in our Peterborough clinic, and will treat lung cancer and genitourinary cancer. The medical oncology/hematology program actively participates in Clinical trials as well as residency educational programs.

The successful applicant must be eligible for licensing as a specialist in Ontario and have Canadian Certification in Medical Oncology at the time of appointment (Jul 2020).

**LEARNING. LEADERSHIP. LIFESTYLE.** It's all right here.

**Lakeridge Health** ([lakeridgehealth.on.ca](http://lakeridgehealth.on.ca)), has everything you seek – in your career and beyond. As one of Ontario's largest hospital networks and the dedicated cancer centre for the Central East LHIN, we foster a culture that promotes career advancement, learning opportunities and great quality of life. Through our five hospital sites, in Ajax, Bowmanville, Oshawa, Port Perry and Whitby, and leading cancer, nephrology and mental health and addictions programs, we provide a broad range of healthcare services to a diverse population.

**Oshawa** is located in Durham Region, an expanding community 50 km east of Toronto. It is the home of the University of Ontario Institute of Technology (UOIT), and is within easy reach of both fine countryside and Toronto's cultural attractions.

The **Peterborough Regional Health Centre (PRHC)** is a regional hospital delivering acute healthcare to a rapidly-growing population of more than 300,000 in Peterborough and the surrounding communities.
