

Medical Oncologist

Permanent, Full Time (1 Vacancy)

The Saskatchewan Cancer Agency provides leadership in health promotion, early detection, treatment and research for cancer. The Cancer Agency operates two treatment centres: the Allan Blair Cancer Centre in Regina and the Saskatoon Cancer Centre.

Practice Location: Allan Blair Cancer Centre, 4101 Dewdney Ave, Regina, Saskatchewan Canada S4T 7T1

Population Base: The population of Saskatchewan is approximately 1.2 million. The Allan Blair Cancer Centre provides comprehensive cancer care to those living in the southern part of the province.

Job Duties: Cancer Agency medical oncologists provide care as members of teams, which include nurses, pharmacists, radiation therapists, oncologists, clinical associates, general practitioners in oncology, surgeons, social workers, volunteers, patient advisors, and palliative care staff. Cancer care is extended to surrounding communities through the Community Oncology Program of Saskatchewan. Oncologists are supported by clinical associates for inpatient and on-call responsibilities. Participation on clinical trials in collaboration with cooperative groups and industry is a major focus of activity for our oncologists. They are members of cooperative clinical trial groups as Alliance, NCIC CTG, and NRG. Oncologists are also involved in teaching medical students and residents.

Job Requirements:

Education:

- Degree in Medicine with subspecialty training in internal medicine and medical oncology.
- Preferred candidates will have obtained or be in the final stages of obtaining Fellowship standing in medical oncology with the Royal College of Physicians and Surgeons of Canada or have equivalent education, training and experience.

Experience:

- Experience with various disease site groups considered an asset.

Credentials:

- Must be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan.
- Must be eligible for membership and privileges with the Saskatchewan Health Authority in Regina.

Other:

- Eligible for Canadian Medical Protective Associate (CMPA) or equivalent
- Criminal record check
- Written and verbal fluency in English.
- External applicants applying to the Saskatchewan Cancer Agency are required to be fully vaccinated for COVID-19. Proof of Vaccination will be required prior to an offer of employment.

Salary Details: A competitive compensation package is offered and will be commensurate with experience. Salary range for this position is \$340,263 to \$439,113, plus benefits.

Benefits: Cancer Agency oncologists are eligible for a clinical appointment in the Division of Oncology, College of Medicine at the University of Saskatchewan. Additional incentives to be determined.
